

New people affected 10/9/2020

Each one is a person not a number

This morning I indicated for the last four Fridays we'd had new cases numbering 11,25,21,20. Fortunately we only had 2 new cases today. Unfortunately, we had a death.

New cases 2

Total cases 1639

A 35 year old with a reported date of 10/8/2020

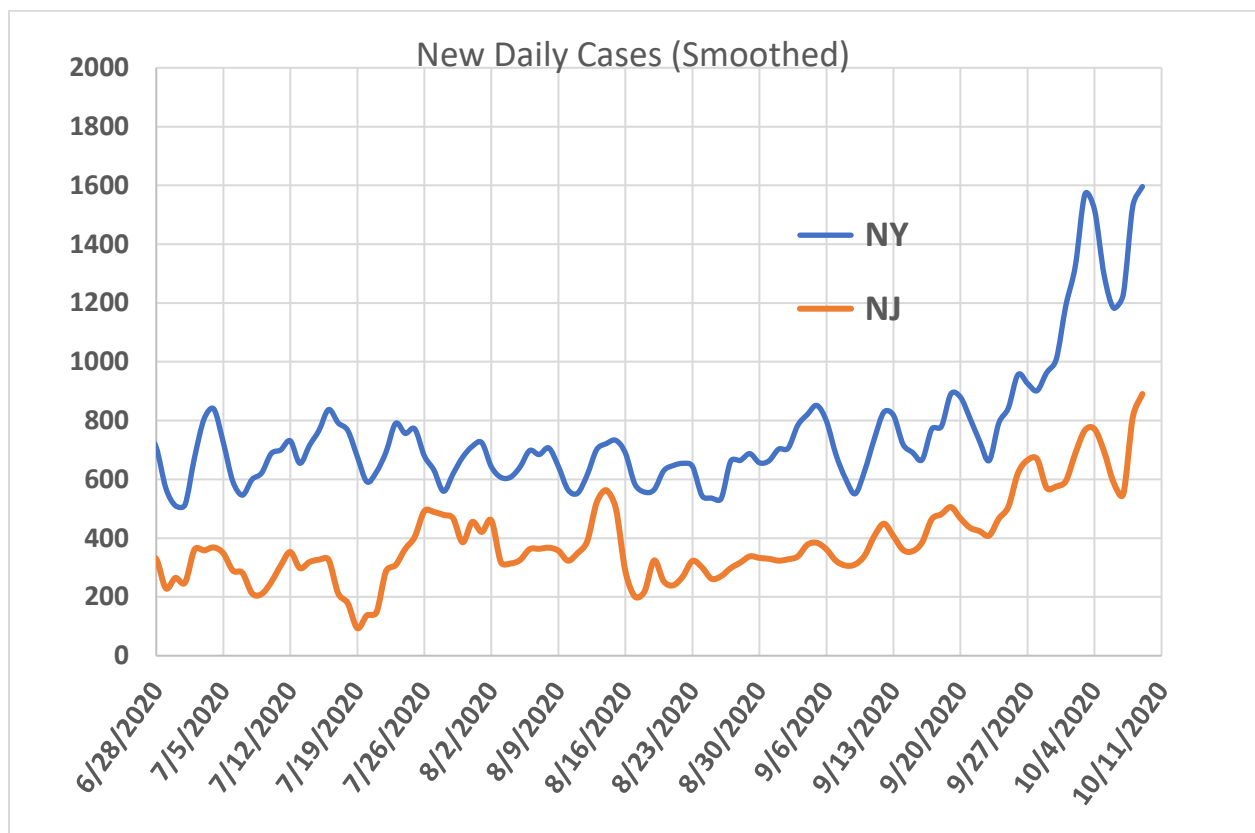

A 37 year old with a reported date of 10/8/2020

New deaths 1

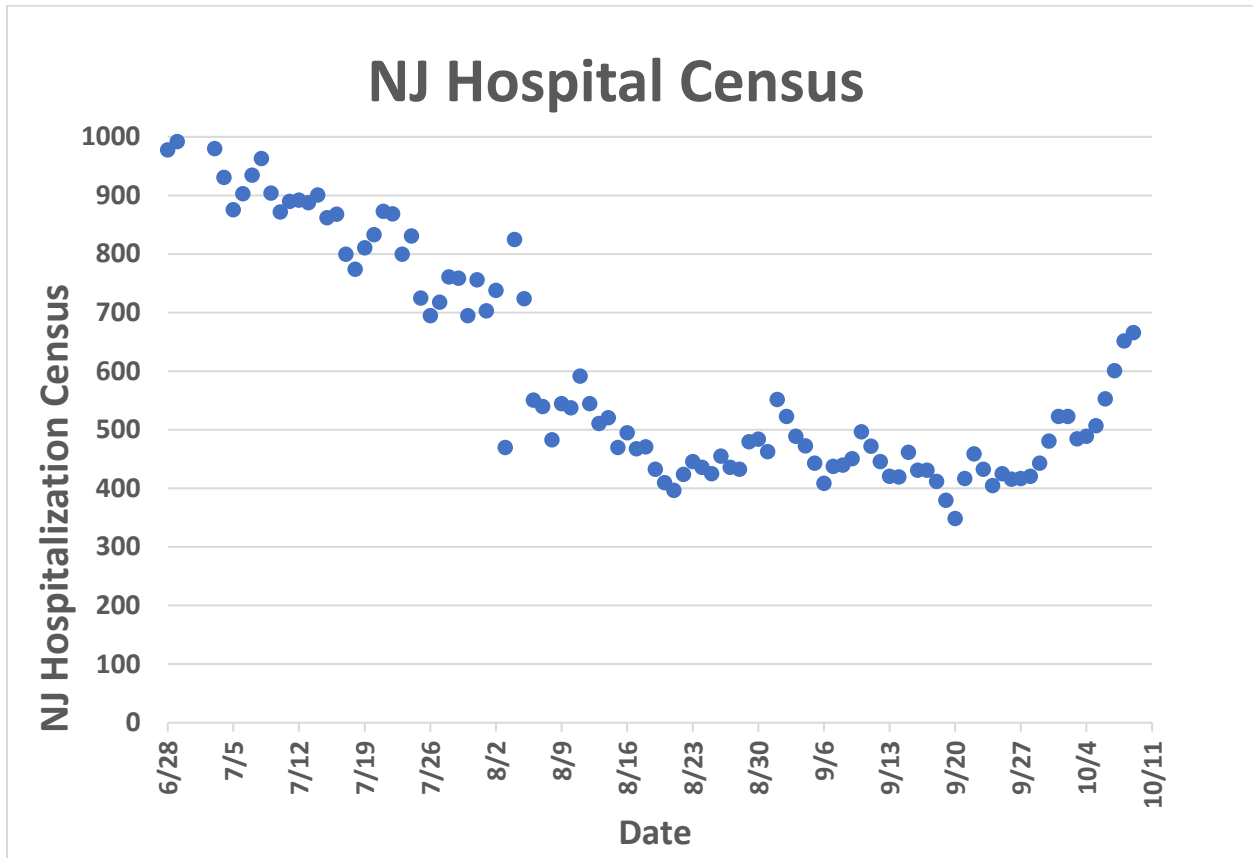

Total deaths 146

An 89 year old who passed away on 10/7/2020

Cases in NJ and NY are increasing

As are hospitalizations in NJ

The increases are primarily in other counties. Somerset is doing “relatively” well.
