Rite Aid Pharmacy
773 Hamilton Street

By Appointment Only

https://www.projectbaseline.com/study/covid-19/

This screening is for you, if you:

- **Do not need immediate medical attention**

This program is intended to expand access to COVID-19 risk screening and testing. It is not intended for people experiencing **severe** symptoms such as severe cough, severe shortness of breath, severe fever, or other concerning symptoms who may need more immediate medical care. **Please visit the CDC website** for information on what to do if you are sick.

- **Are 18 years old or older**
