

**Business Survey to help the Governor Plan
The Recovery**

As your businesses and organizations continue planning to ensure the safety of your employees, customers and clients, and visitors, we would like to know more about how the pandemic has impacted you and the challenges you may face in the future.

Please help by responding to this short, 10 to 15-minute survey.

While the overall summary results from this survey will be made public, your individual responses will not be shared with anyone and will be kept confidential.

With your help, we are confident that the State can help businesses and non-profit organizations safely and equitably recover from this crisis.

Thank you.

Governor Philip D. Murphy
