

COVID-19 Drive-Thru Testing Canceled on Friday Two New Dates Added

BRANCHBURG – Due to anticipated inclement weather, COVID-19 testing at Raritan Valley Community College scheduled on Friday, May 1, has been canceled. **Residents who had appointments on Friday will be switched to Tuesday, May 5.**

Next week, the testing site will be open from 10 a.m. to 1 p.m. on **Tuesday, May 5,** and **Thursday, May 7.**

Testing, which is free of charge, is available to **Hunterdon and Somerset County residents,** age five (5) and older. Because priority is being given to those who are exhibiting symptoms of the coronavirus, residents must have a valid doctor's prescription, ID and an appointment to receive testing.

Patients are required to provide a copy of their prescription, either by bringing it with them to the testing site, or by sending it via email in advance of the appointment. **Patients or their physicians,** can send the written authorization to the Somerset County Department of Health at coronavirus@co.somerset.nj.us, with the word "**Prescription**" in the **subject line.** Faxes can be sent to 908-704-8042.

Patients must schedule an appointment for testing at <https://somerset-hunterdon.adlabscovidtest.com> or by calling 908-237-7150.

Additional dates will be offered based on availability of resources. Check www.co.somerset.nj.us/covid19status for updates.

Anyone who does not have an appointment and a valid prescription or written order from their physician will be turned away.

For the safety, health and security of staff and volunteers, **patients must arrive by car.** The testing site will not allow entry if residents don't arrive in a vehicle, even if they have a valid driver's license and prescription. When coming to the testing center, residents are asked to use the main entrance to the college campus, off of Route 28.
